

Tripod Mic Stand with Fixed-Length Boom

JS-MCFB100 item# 16791

On stage or in the studio, you need a mic stand you can rely on. The JS-MCFB100 Tripod Mic Stand with Fixed-Length Boom resists tipping and is built tough to withstand every-day use. The powder-coated finish is scratch resistant to maintain its appearance, even on the most rigorous tour or recording schedules. Easily adjust the JS-MCFB100 to perfect height with the traditional turn clutch.
