Using headphones			
 B			
<div> <div>Included detachable cable is connected to the product at the time of purchase. Use only the included detachable cable designed exclusively for this model.</div> <div> <div>1 Lower the volume on the device you intend to use, then connect the "Input plug" to the device's headphone jack.</div> <div>2 Make sure to place each earTip (LEFT/RIGHT) in the correct ear.</div> <div>3 Turn on your audio device, and adjust volume as necessary.</div> </div> </div> <p>* Also read the user manual of your audio device.</p>			

Using the remote control with mic for smartphones			
 C			
<div> <div>Playback/pause for music/movies</div> <div>Press the control button once.</div> <div>Answering/ending phone calls</div> </div>			
<div> <div>* Some smartphones do not support playback and pause functionality for music/movie files.</div> <div>* Audio-Technica does not provide support for how to use smartphones.</div> </div>			

About the detachable cable			
 D			
<div> <div>The cable on the product is detachable. If there are signs of deterioration, replace the cable (sold separately).</div> <div>■ Do not detach the cable except when replacing it with a new cable.</div> <div>■ How to replace the detachable cable</div> <div>The detachable connector is very delicate. Only pull or attach in a straight motion to prevent malfunction.</div> <div>*2 Take care not to damage the pin in the headphone.</div> <div>■ How to detach the cable</div> <div>Hold the connector and pull straight out in the direction shown by the arrow.</div> <div>■ How to attach the cable</div> <div>Plug the left or right connector in as shown in the illustration until it clicks.</div> </div>			

About the eartips			
 E			
<div> <div>■ Sizes</div> <div>The product comes with silicone eartips in four sizes (XS, S, M and L). At the time of purchase, the M size silicone eartips are attached.</div> <div>To ensure that you will enjoy the best sound quality, it may be necessary to change the size and/or position to what is best suited for you, and adjust the eartips inside your ears for a snug fit.</div> <div>■ Cleaning the eartips</div> <div>Remove eartips from the product and clean them with a diluted detergent. After cleaning, dry before use.</div> <div>■ Replacing the eartip</div> <div>Remove each old eartip, and mount the new eartip over the stem up to the base of the stem.</div> <div>* The eartips are designed to fit tightly to the product so that they will not come loose unintentionally.</div> </div>			

Specifications
